

# Dailey Supply, Inc. Cooling / Venting

## Commercial Circulator

Motor, blades, guards, and mount are packed and shipped in a single UPS-able carton.

PEDESTAL MOUNT

WALL MOUNT

### Features

- Pull chain switch.
- SJT type 3 conductor, 9' long cord.
- Coated steel guards with retaining clips.
- Steel hub/spider aluminum paddle blades.
- Pole adjusts center of fan from 43" to 60".
- Meets OSHA standards.
- 1 Year limited warranty.
- Imported to TPI specifications

### Motor Specifications

- |                               |                             |
|-------------------------------|-----------------------------|
| • 1-Phase                     | • 120V                      |
| • 1/4 HP, 1/3 HP on HD Models | • 2 or 3-Speed              |
| • Ball bearing                | • Permanently lubricated    |
| • Open ventilated             | • Permanent split capacitor |

### Standard Models

## 36", 42", & 48" TPI Commercial Belt Drive Portable Blowers

### Features

- Rocker switch
- SJT type cord - 3 conductor - 8' long
- Aluminum blade
- Spiral wire front and rear guards
- Powder coated 20 gauge steel housing
- 8" rubber wheels
- Meets OSHA standards / 1 Year limited warranty
- Imported to TPI specifications

### Motor Specification

- |                |                          |
|----------------|--------------------------|
| • 2-Speed      | • 1-Phase                |
| • 120V         | • ODP type               |
| • Ball bearing | • Permanently lubricated |

### 36" Single or Three Speed

(EVAP36-1 or EVAP36-3) provides cooling up to 2500 sq. ft. area. 32 Gallon reservoir capacity.

### 48" Two Speed

(EVAP48-2) provides cooling up to 4,000 sq. ft. area. 40 Gallon reservoir capacity.

**36" UNIT IS THIN ENOUGH TO FIT THROUGH A STANDARD DOOR.**

### Features

- 36" and 48" non hazardous location models feature 3/4" garden hose connections for longer operating times
- Durable polyethylene housing features leakproof, one piece construction
- Lowers temperatures 15-25 °F depending on climate conditions
- Heavy duty, polyolefin casters on evaporative coolers
- New 3 blade fan blade for quieter operation; 120V
- Manufactured in U.S.A. shipped completely assembled, ready to use

EVAP-Tank 50

## Tuff & Gusty Economy Drum Fans

TG24-2DG

Imported economy fans are "Tuff & Gusty™". These UL507 outdoor certified heavy-duty drum fans are loaded with features but priced very aggressively for your indoor and outdoor cooling and ventilation needs.

### Features and Benefits:

- > Quiet operation, high efficiency and output
- > Totally enclosed, maintenance free, high efficiency motors with completely sealed bearings and built-in thermal overload protection
- > OSHA compliant safety guards
- > Powder coated white, black or grey
- > Tilts 360 degrees
- > Cord wrap and carry handle

## Tuff & Gusty Economy Pedestal Fans

TG30-3PB, TG30-3POSCB, TG24-3PB, TG24-3POSCB, TG24-3POSCW, TG30-3POSCW, TG30-3PW

Imported economy fans are "Tuff & Gusty™" and UL507 outdoor certified pedestal mounted circulation fans are loaded with features but priced very aggressively for indoor and outdoor cooling and ventilation needs.

### Features and Benefits:

- > Quiet operation, high efficiency and output
- > Totally enclosed, maintenance free, high efficiency motors with completely sealed bearings and built-in thermal overload protection
- > OSHA compliant safety guards
- > Powder coated white, black or grey
- > Pull chain speed adjustments
- > Fully adjustable mounts for 24" and 30" fans

## VersaMist Portable Low Pressure Misting Fans

PVM18, PVM18C, PVM18LC

The VersaMist® reduces air temperature by as much as 30°F. Low pressure mist technology combines fine mist and high speed air movement for highly effective “person” cooling indoors and outdoors. The 18”, UL507 rated, 3-speed fan provides up to seven hours of use and is ergonomically designed for portability. The VersaMist is ideal for cooling work areas, rehabilitation stations, outdoor events, emergency workers, patios, and sidelines.

### Features and Benefits:

- › Produces up to 2600 cfm of cooling breeze
- › Available with or without wheels
- › Wheeled version has integrated handle and wheels for easy movement
- › 10 or 14 gallon built in water reservoir for portability
- › Adjustable fan head for targeted cooling
- › Rapid mist evaporation produces 16,000 BTU/hour (1.4 tons) of cooling
- › Pump and fan assembly separates from the reservoir for quick and effortless set up, cleaning and storage
- › Integral tip switch to turn power off if unit is knocked over
- › 25 foot outdoor rated power cord with integrated GFCI plug for use in standard wall outlet
- › UL507 rated for outdoor use
- › Two year warranty

## Tuff & Gusty Economy Confined Space Ventilators

TG9-1CSVY

Tuff & Gusty™ confined space ventilators are designed for light duty applications and offer reliable performance at a cost-effective price.

### Features and Benefits:

- › Lightweight for easy portability
- › Durable steel frame
- › 13" outlet flange
- › Not UL listed
